

News for 02/07/06

Hi,

These results speak for themselves!

John

"Hey John!!! Just wanted you to know that we ran a 8.299 in round two. 8.30 is the national record WOW!!!!!! Thanks to Two DAMBEST CARBs and Bob Kaiser race engines!!!! We had a 1.125 60 foot!!!! Now that's what we went to Atco for!!!!!! Looking forward to next year!!! John, just want you to know Cal/Bob Hill really like talking to you. You're like E. F. Hutton: when you speak we LISTEN!!! See ya later!!!!".

Bobby Hill

dAM will be offering three different one-week courses in November, 2006. The topics will be Carb Tuning & Modification, Dyno Operation & Results Analysis, and Coordinating On-track and Dyno Data Acquisition for Maximum Performance. Class size will be limited to 10 each; cost will be \$500 each. These classes will be the latest addition to our line of education materials which already includes audio tapes, CDs, and DVDs.

The Tremont family has been setting a winning trend in the North East for years. With Ken Sr. tuning and Ken Jr. driving, it's been a formidable team. We would like to thank them for making dAMBEST carburetor an integral part of their success the last 2 years, including the great finishes at Orange County's Eastern States and the Dirt Modified event at Syracuse. They continue to rave about performance and fuel economy of their dAM carb.
