

News for 04/18/06

Great news continues to come in!

Pine Line Auto Sales race team's driver Alan Johnson finished their third successful season running their dAMBEST carb as this year's Dirt Series champion in the 358 Dirt Modified division. They were so grateful for their performance that they wanted everyone to share their enthusiasm for our products by installing decals while the car was at the "Motorsports 2006" trade show in Ft. Washington, PA.

In other news, a new class at Bridgeport, NJ, using the new #2 GM crate engine, has an open carb rule which allows installation of dAMBEST's extremely aggressive billet series of carburetor for the ultimate combination. So, if you have a crate series engine class at your local track, see if you too can run the dAMBEST series and become a winner.
