Hi again,

The great folks at Area Auto Racing News had put together such a handsome ad for us in their May 16, 2006 issue. We'd just like to highlight it again and thank Joe and Dave and everybody at AARN.

We encourage our friends to pick up a copy - or better yet - subscribe to AARN. See their web site www.aarn.com or call 609-888-3618.

The advertisement is a collage of images. At the top, a yellow banner contains the headline. Below it, four racing cars are shown in a grid, each with a name and class label. A red banner below the cars lists 'CUSTOM CARBS' and various models. The center features the website 'dambest.com' and a starburst graphic. The lower half is dominated by a large, detailed image of a red carburetor with yellow air filters. In the bottom left, a man's face is partially visible next to the 'THE dAMBEST... RACING CARBURETORS' logo. The bottom right corner contains the company's website, phone number, and address.
