2007 Dirt Rules are in! They require the OEM part number to be on carburetor metering blocks. If your dAM [4777](#) or [4412](#) is without, send it back to us to be updated and get the new metering blocks installed.

Here are the complete photos of the new 4500 series and two barrel. Let the orders begin!!!!

We will see you at both 4177 at the PRI show!
