The PRI Trade Show

Visit us at the 2007 Performance Racing Industry Trade Show, Dec 6-8 in Orlando, Florida. Skip Gladstone and I will be at Booth 4177 - right where we were last year. At that time we debuted our 4500 series; this year we'll have the first of our Ultimate 4150 carbs: the largest, highest flowing 4150 style carb in production. See our [4500 series brochure](#) for the full list of features. And see PRI's web site for more show details: <http://performanceracing.com/>. As always, check our site <http://dambest.com> for the latest developments at dAM.
