The Pennsylvania Dutch Classic National Open

Last weekend *dAM* was a vendor at the Maple Grove Raceway in Mohnton, PA and we would like to thank all the racers who visited our booth and supported our products. We hope everybody enjoyed the event (and the weather!) as much as we did.

Special thanks and congratulations go out to a number of folks for their support and successes over the past year: Jim Ford had a recent win and great success throughout the year; Cal Hill & Team have done well and set multiple records; Bob Kaiser has built many an engine with dAMBEST carbs; Scott MacKay has had multiple records over the years, and this year was no exception.

John
