### The Parts Peddler and PRI Trade Shows

Hi again,

The 28th annual Parts Peddler Trade show will be held at the New York State Fairgrounds in Syracuse, NY Friday November 16th through Sunday, November 18th. Skip will be there with a selection of carbs to see and touch - the Ultimate 4150 may even make its debut at this show. See the Press Release at [http://www.partspeddlernews.net/index.php?option=com\\_content&task=view&id=43&Itemid=69](http://www.partspeddlernews.net/index.php?option=com_content&task=view&id=43&Itemid=69)

The 2007 Performance Racing Industry Trade Show will be Dec 6-8 in Orlando, Florida.

We'll be at Booth 4177 - right where we were last year. At that time we debuted our 4500 series; this year we'll have the first of our Ultimate 4150 carbs: the largest, highest flowing 4150 style carb in production. See our [4500 series brochure](#) for the full list of features. And see PRI's web site for more show details: <http://performanceracing.com/>. As always, check our site <http://dambest.com> for the

latest developments at dAM.
