dAM Methanol Rules

Hi again,

"I've won before, but not like this!" remarked Rob Spraker regarding last week's Munson, Mass Hill Climb. It was his first time out for the season, he explained, and he had the smallest engine in this Super Unlimited Class event. But his pair of dAM carbs had been freshened up over the winter and everything ran 100% perfectly.

John

PS: If anybody has a copy of my cam & valve timing event presentation at Superflow on VHS, please contact me.
