Things that people say

Hi Again,

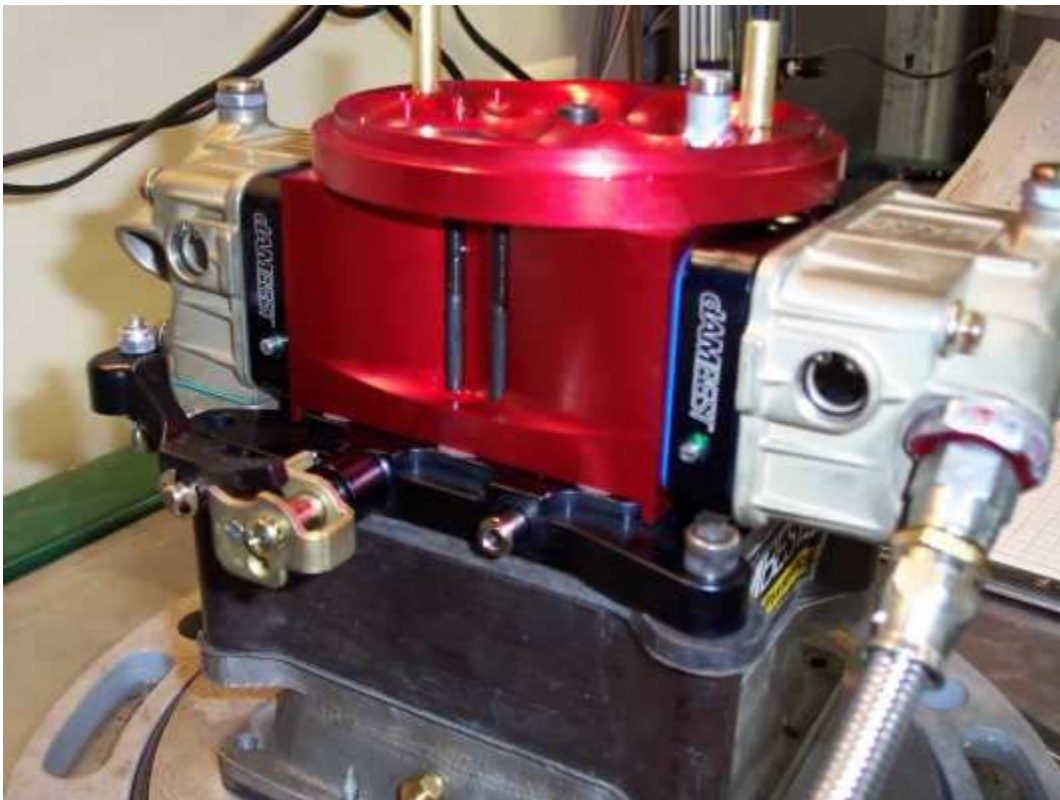

You've heard me talk about our products. I recently came across what some other folks are saying on the Web:

We featured Bill Cannon in a News letter a little while ago. See what he himself has to say. Go to <http://www.dartheads.com/dartboard/showthread.php?t=156> and scroll half-way down to the item dated 03-01-2008, 11:20 AM.

Another interesting item is an illustrated account of fine tuning a dAMBEST 358 Open Rule Carb. Go to <http://www.gtsparkplugs.com/Projects.html> and scroll to the bottom. Click on the photo, too.

John
