### Ricky "The Rocket" Elliott Goes Red

---

Hi Again!

Ricky "the Rocket" Elliott won two features this weekend. In the first one, at Delmar, DE, another car actually rolled over his putting him at the end of the pack. He worked his way to the front and won! Read an account of Elliott's battle on the Delaware International Speedway web site: <http://www.delawareracing.com/viewArticle.php?id=464>

For his second win, at Georgetown, DE, he started at the back and worked his way forward to win again.

Below are some shots of Ricky enjoying the new performance gains of his [dAMBEST Big Billet Skirted Booster](#) carburetor. You can purchase one from Ricky by contacting him at his [web site](#) or directly from dAMBEST.
