Carb Tuning Class Update

Hi Again,

We continue to gear up for our October Carb Tuning class and encourage everybody with interest to send in payment. We have a few spaces left. Several of last year's attendees are returning for more! This experience will stay with you for ever.

The dates of the October class are Oct 31 through Nov 2.

The hours will be Fri, Sat, Sun - 9AM to 9PM.

Class size is limited to 10 and half the seats have been paid for. Sign up now!

Price for the 3 days is \$500.

Sunday Nov. 2, dAM will have an open house to introduce the E-jet and demonstrate it on the dAM wet flow bench. All are welcome including media. Please RSVP.

John

PS: \$200 REWARD for a copy of my 1992 Superflow Presentation on VHS!
