Field Testing the Philosophy of the *dAM* E-jet

Hi Again,

Congratulations to *dAM* family members Skip and son Joey Gladstone on this weekend's win at the AMA Nationals in Adco, NJ. With the upcoming implementation of the ECU in our E-jet program, Skip has been taking the time to familiarize himself with applying the *dAM* philosophy to the ECU in his son's motorcycle. The the now proven dialog process between Skip and *dAM*'s home base for translating mechanical carburation to ECU mappings will be invaluable to integrating the E-jet and its ECU.

John
