Fast Times with *dAM*

Hi Again,

Whether they're run on the drag strip or circle track, dAM carbs are setting records. Jim Ford set the National Record at 8.13 and Ricky Elliott set Fast Lap at one of his events. Wowiee!

We still have two seats open at this coming week end's Carb Tuning Class. The participants and I are all real excited. There's so much more to cover beyond last year - and some of the participants were here last year, too.

The new dAM E-Jet was a hit at the Pennsylvania Dutch Classic. Easily 200 of the 250 people who previewed the prototype said one word: "Cool!"

John
