Report on the 2008 *dAM* Carb Tuning Class

Hi Again,

In spite of the times we had 8 participants signed up - one got sick just the day before - hope you can make it next year, Tim. A great time was had by all as we covered theory then got into hands on experience at the wet bench. Classes were recorded and we look forward to having CDs and DVDs to offer.

John

PS: \$250 REWARD for a copy of my 1992 Superflow Presentation on VHS!
