The Parts Peddler and PRI Trade Shows

Hi again,

The 29th annual Parts Peddler Trade show will be held at the New York State Fairgrounds in Syracuse, NY Friday November 16th through Sunday, November 18th. Skip will be there with a selection of carbs to see and touch - the Ultimate 4150 may even make its debut at this show. See the Press Release at http://www.partspeddlernews.net/index.php?option=com_content&task=view&id=43&Itemid=69

The 2008 Performance Racing Industry Trade Show will be Dec 11-13 in Orlando, Florida.

We'll be at Booth 4175 - right where we were last year. At that time we debuted our E-jet; this year we'll have the Ultimate 4150 carbs: the largest, highest flowing 4150 style carb in production. See our [4500 series brochure](#) for the full list of features. And see PRI's web site for more show details: <http://performanceracing.com/>. As always, check our site <http://dambest.com> for the latest developments at dAM.
