### The PRI Trade Show

---

Hi again,

The 2008 Performance Racing Industry Trade Show will be Dec 11-13 in Orlando, Florida.

We'll be at Booth 4175 - right where we were last year. It can get really busy... If you'd like to reserve time to talk with me I'll have a sign up sheet for 15 minute blocks of time during the three days.

Last year we debuted the Ultimate 4150 carbs: the largest, highest flowing 4150 style carb in production. See our [Ultimate 4150 series brochure](#) for the full list of features. This year we'll have our E-jet and many of our 40 carburetor models on display. And to fulfill a popular request, we will have our brand new Spark Plug DVD.

See PRI's web site for more show details: <http://performanceracing.com/>. As always, check our site <http://dambest.com> for the latest developments at dAM.

John
