### What *dAMBEST* does for other brands

---

Hi Again!

Mike Bellefeuille has found out over the last three seasons, as many other customers have, *dAMBEST* modifies other brands for record setting and race winning results. Mike's 4412 Holley two barrel carb drives and performs like no other. Contact us to use our patented technology on your rules approved carb until *dAMBEST* billets are legal in your area!

Great news! **dAMBEST** is now an officially accepted carburetor brand in the Australian National Drag Racing Association, ANDRA! We are legal in Pro Stock events. Our 4500 Series and Split 4500 Series carb would be recommended.
