dAMBEST: the World's leader in Billet Carburetors!

Hi Again Everyone!

Another great weekend for *dAMBEST*! Sal Biondo, driver of Bill Mayo's I/AA, was the class of the field at this past weekend's race at Orlando Speed World. They qualified number 1 with a 8.125 at 164.59. That was great news!

Bill also related to me that his very first pass out of the trailer on test day was 8.09 at 165, on their new pair of [dAMBEST Skirted Big Billets](#). The booster signal is so good you can run a pair on a V6!

John
