### *dAMBEST* 's New 2.375" Butterfly Billet 4500 Carburetor

---

Hi Everyone!

We've just received the first of the new 2.375" butterfly 4500's. These are meant for single four barrel, tunnel ram manifold engines that make over 1200HP. Perfect for Top Sportsman or Top Dragster, where power and throttle response are both a must.

Great news! **dAMBEST** is now an officially accepted carburetor brand in the Australian National Drag Racing Association, [ANDRA](#)! We are legal in Pro Stock events. Our [4500 Series](#) and [Split 4500 Series](#) carb would be recommended.
