Mayo and Biondo win at Virginia!

Hi Everyone!

I would like to thank Bill Mayo and Sal Biondo again, for being very gracious hosts this week end at Virginia Raceway!

I can't thank Bill and Sal enough. After Sal went on to win the race, Bill's entire crew came over and thanked me for my help! That meant a lot to me, I felt like part of his race team. It was great to watch you all work together as a team.

Sal, I also would like to thank you for your comment that, "...these carbs have the best response, and drive ability in the burnout and down track... than any we have ever used." Bill, you and Sal are the best! Thanks!

I encourage everyone to look over the [Biondo Racing Products](#) web site, they have great stuff!
