Fred Gallo Sets record with difficult track conditions

Hi Everyone!

We want to thank Fred Gallo for making *dAMBEST* a part of his new national record this past weekend, running 6.75 ET and 206 MPH, with an early shot off. The race track was very loose in the middle, so Fred's runs were all the more impressive. The race car was absolutely not connected to the track through all of second gear causing Fred to lift and/or shut off early every run. Great job Fred!!!
