### Mayo and Biondo win The UA Route 66 Nationals!

---

Hi Everyone!

This was an amazing race to observe from a distance. As I watched, via the internet, Sal qualify for both the Jegs Alstars and the UA Route 66 Nationals in Chicago, I was so hopeful for the best weekend for them. And it was just the best: a runner up finish to Bruno Massel's DD/AT, incredible .83 under his 7.90 index; 7.07 in the final. Sal, you were perfect all the way through, it was amazing to watch.

Then in the first round when a CIC busting .6 under came through, I just knew it was not going to be easy. Sal, to watch you drive in the Bill Mayo team prepared Chevy Berreta is just the best!!! When Bill called me after you had won to say, "We just won our third race this season, thanks!" I was just jumping for joy for them!

Sal, I also would like to thank you for your comment that, "...these carbs have the best response, and drive-ability in the burnout and down track... than any we have ever used." Bill, you and Sal are the best! Thanks!

I encourage everyone to look over the [Biondo Racing Products](#) web site, they have great stuff!

John
