Report on the 2009 *dAM* Carb Tuning Class

Hi Attendees,

In spite of the times we have more than ten that wish to come this year! So I am connecting with the list I have in this special News Letter. It is time to send your payment in for guaranteed space at this years Carb Class. The fee this year is \$550.00. This years class will be October 29-30, all day.

A great time was had by all as we covered carb theory, then got into hands on experience at the wet bench. Classes were recorded last year and we look forward to having CDs and DVDs to offer this year too.
