dAM and YouTube, too!

Hi Everyone!

The Arcuni family is a great example of a family racing together. Carol and Tony recently installed a set of [dAMBEST Splits](#) on their Top Sportsman race car. Their previous best E.T. had been 7.08; they immediately improved to a 7.02, and then just recently a 7.00 E.T. We are all looking forward to Tony's first 6.99 E.T.
