This year's [Carb Tuning Class](#) is now taking form. It runs from Thursday 29th to Saturday the 31th of October. If you are interested in coming to the carb class, we are now looking for the class fee to reserve your spot.

I also wanted you to have the current update on the E-Jet with some new photos of the new wiring harness ( Simple and Neat ).

Thanks for your support,

John

The wiring is small and elegant.

Blow Through World, are you ready?!
