

World's leader in Billet Carburetors

News for 10/06/09

Sal Biondo Wins fourth race this year with dambest, and sets Speed and ET records!

Wow what a week end!

Sal you are just awesome! It was great working with you again. Setting the record at a 8.10, and the speed at 165.60MPH. Then going on to see you win the race, was the best! Kevin Robb driving Bill Mayo's came so close to setting their record too. Their 7.36 at 180.60MPH was just stunning, the fastest run for a D/DA ever! Anthony Bertozzi also had an amazing run of 7.42 at 179.88. The fastest run for a D/ED ever! And Vinny had a sub record run of 7.71 at 172.45 MPH.

While I was walking around Top Sportsman racer Tony Arcuni told me that the week before he had run his first six second run, a 6.97 at 199mph. That is a long way from that 7.08 you started at.

There is so much news I will be spreading it over the next few weeks.

Thanks so much for your support,
John

I had not realized that the photo I had taken was of the run between Charlie Grecco and Sal.

When Charlie's car slid across the track on it's side. I am so happy everyone came out safe.

It did not look good from the starting line.

This week ends race You Tube videos.
