More Charlotte news!

Great news week!

One of the hidden great performances of Charlotte was Todd Hoerner, driving the Sonny's Race Engines A/AA. Todd chose to enter Top Sportsman at this event, where you get to go fast with out concern to index damage. A/AA index is a 7.15 et. The 6.48 et at 214.83 mph would have been .67 under the A/AA index, placing him in 4th position.

The current record - 6.57 et at 207.78 - would have been surpassed, using his back-up of 6.50 et at 213.74, to secure the new record. I guess we will have to wait.

Todd runs our modified NHRA legal PRO Stock carbs.

When you're looking for your Modified carbs, think *dAMBEST*.

Thanks everyone for making us a part of your projects,
John

P.S.

- When running VP fuels, you will need to WD-40 your linkage and shafts after each day's use. This is very important to keep linkage free on *dAMBEST* carbs.

Qualifying 3rd in Top Sportsman with a 6.50et at 213.74
