## Congrats in National Dragster

---

Hi again!

Vinny Barone's win in Atlanta, Dan Fletcher's win at Charlotte with Allen Stanfield's runner-up, Sal Biondo's win at E-town with Anthony Bertozzi runner-up were great and we're making sure the good readers of National Dragster knew about it! Below are the three congratulation's we ran in National Dragster. And to see Vinny and Dan in the final at Pomona was just the best!

I also want to remind you to send your carbs in for freshening and our new gaskets, and be ready for the new season.

Again, I am happy that *dAMBEST* can be a part of each comp team effort.

## Other News

- As I said a few weeks ago, we are working on our new layout for the overwhelmingly large incoming good news each week. The dambest blog is done, but the navbar is not. So for now just click on [dambest blog](#) and that will get you there. If you want to be notified each time there is an entry, just reply to this news letter with the word "Blog".

- You can see the videos I have taken on youtube.com at [dambest1](#)
- Great news! **dAMBEST** is now an officially accepted carburetor brand in the Australian National Drag Racing Association, [ANDRA](#)! We are legal in Pro Stock events. Our [4500 Series](#) and [Split 4500 Series](#) carb would be recommended.
- When running VP fuels, you will need to WD-40 your linkage after each days use. This is very important to keep linkage free.

PS: \$575 REWARD for a copy of my 1992 Superflow Presentation on VHS!
